Dear Maree

Submission on System Security Forecast Rule Amendments

1. This is a submission by the Major Electricity Users' Group (MEUG) on the Electricity Commission consultation paper *System Security Forecast (SSF)* of 5th November 2008¹.
2. MEUG:
 - a) Agrees with the proposal to amend the rules requiring the System Operator to prepare a SSF for the next 10 years to a period of not less than three years;
 - b) Agrees with the proposal for the System Operator to publish SSF Guidelines; and
 - c) Agrees with the minor text changes to the rules in relation to preparation of SSF.
3. We have no comments on the proposed text of the rule changes or guidelines.

Yours sincerely

Ralph Matthes
Executive Director
