Dear Micky

Second consultation on possible TPM operational changes

1. This is a submission by the Major Electricity Users' Group (MEUG) on Transpower's paper¹ "2014/15 TPM operational review: Second consultation paper" dated 13th November 2014 along with several detailed spreadsheet workbooks². MEUG and advisors from the New Zealand Institute of Economic Research (NZIER) attended the Transpower workshop on 2nd December. We appreciate the effort Transpower has made to consult.
2. Members of MEUG have been consulted in the preparation of this submission. This submission is not confidential. Several MEUG members will be making submissions.
3. Attached is an advisory memorandum from David de Boer of NZIER on the second consultation paper. The NZIER advice should be read as MEUG's submission on the proposal.

Yours sincerely

Ralph Matthes
Executive Director
